All the requirements and conditions of the bond previously set by the magistrate remain in effect.

If a law enforcement officer or attorney for the state has reason to believe that a particular arrested person should not receive a personal bond under this order, or that particular conditions should be added to the bond, that officer or attorney must contact a District Court Judge to make a request or recommendation for an exception to this Standing Order.

IS IT ORDERED that all persons charged with a felony covered by this Standing Order and that meet the conditions described in this Standing Order shall be released on personal bond.
